MARKET REPORT

By Steve Thompson, **UK Stock Market Editor** 

Sterling's latest show of strength kept the shackles on the UK equity market yesterday, mostly choking off support for the big overseas earners.

But the supply of features notably Unilever - proved more than sufficient to keep the FTSE 100 bobbing around the 4,300 level for much of the session. although that level was lost on a number of occasions during the

The main influence in the

tinuing steep rise. It moved up as trading in London drew to a 1.1 per cent against the Bank of close. England's basket of leading currencies, but a substantial 1.5 per

cent against the D-Mark. The rise in the pound did help the gilts markst, which in turn lent some support to equities. But most dealers pointed to the recent steady stream of sterlinginduced profit warnings which they said posed a considerable threat to sentiment.

Wall Street's overnight performance, when the Dow Jones Industrial Average fell 49 points. contributed to London's hesitant trend. The Dow kicked off in good form at the outset yesterstock market was sterling's con- day, and showed a 35-point gain

Observers said sentiment in London could well take another dent if, as expected, the Bank of England's Quarterly Bulletin and Inflation Report, out today, echoes the recent request from Mr Eddie George, the bank's governor, for a rise in interest rates. Recent reports said the Treasury had joined the chorus calling for higher rates.

The Bank report will be accompanied by unemployment figures for January and underlying average earnings for December and unit wage costs for the December quarter. Tomorrow brings official inflation data for January.

generally busy day for corporate unnerve dealers. news, its shares capturing a new record after well-received preliminary results and surprise news that it is selling its four speciality chemicals divisions.

The disposal story alerted the attention of investors keen to anticipate Unilever's next corporate move, which some saw as a predatory attempt against one of the other hig UK food groups.

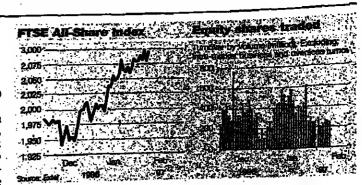

The FTSE 100 managed to close above the 4,300 level, finally settling a net 3.4 easier at 4,304.3. At its best of the day, in midmorning the index posted a 3 point gain. It later fell away to holdings in Clyde Petroleum into

Unilever stole the bonours in a sterling's ascent began to

The FTSE 250 finished only a shade above the session low, eventually closing 10.1 down at 4,586.6. The FTSE SmallCap maintained its winning run, edging up 0.3 more to an all-time closing record of 2,326.6, after an intra-day peak of 2,326.7.

Turnover picked up substantially, and reached 997m shares at the 6pm cut-off point, the highest daily total since January 22. when the total just topped the 1bn-mark.

Yesterday's figure was boosted by two institutions selling their post an 18.8 decline at 4,288.9, as the market.

### Unilever hits new record

Anglo-Dutch consumer products giant Unilever was the star performer of the day, cruising into pole position among the Footsie 100 hest performers after it enue growth rate achieved revealed plans to sell its speciality chemicals division.

Analysts bad suggested the sale hut not even they had anticipated the apeed with which the group would announce the move. Specialists predict the disposal could generate around £4bn and speculation that the proceeds may be used to fund an acquisition sent shares in several UK listed companies

The news of the sale came pany. as Unilever posted full-year Analyst Mr Brian Newman figures at the top end of said: "The (Reuters) share expectations. Shares in the group rose by more than 5 growth prospects and we are per cent as they jumped 781/2 to 1,4715p, a record high for the stock. Heavy trading fone where earnings are brought volume of 11m, just shy of its highest-ever daily

Analysts moved to including Ms Sally Jones at leader NFK washed over on Credit Lyonnais Laing who to the UK sector with BICC raised her current year fore- and Delta both displaying cast to £2.8bn. She said: "At marked weakness. long last the company seems to be taking a pro-active soft product prices in Gerapproach to the business many which had fallen "far which will deliver more below realistic cost levels" value." She remains a buyer This news was compounded

But Mr Carl Sbort at SGST price strength from the Lon-

and the second of the second s

strength" because of the "underlying weakness in the European business which still accounts for 50 per cent of group profits".

information giant Reuters Holdings surrendered 16 to 626p, after it warned that changes in its price structure would make it difficult to better the underlying revlast year.

The warning took the shine off a 17 per cent rise in full-year profits to £701m and a 20 per cent rise in the total dividend to 11.75p.

Henderson Crosthwaite, once regarded as the big bulls of Reuters turned cold on the stock and yesterday advised clients on a crosssector switch out of Reuters and into Vodafone Group. the mobile telephones com-

Analyst Mr Brian Newman price has adjusted to lower recommending high performance funds switch to Vodaincreasing hy 20 per cent compound." Shares in Vodafone eased 2 to 2851/2p. A steep share price fall on

upgrade profit expectations, Monday for Datch cable

by suggestions of copper

took the opposite view. He don Metal Exchange where rate activity in the insururged investors to "sell into the latest figures for copper ance sector following the stocks were far lower than sxpected. BICC retreated 9 to 270p and Delta 14 to 3521/2p.

Eurotherm came off 10 to 473%p following an AGM International news and warning about currency pressures and Electrocomponents dipped 23% to 425%p after an earnings downgrade from a leading broker. Reports that the RAF

wants to cut back its order for Future Large Aircraft pushed British Aerospace sharply lower. BAe bas a stake in LAF wing production, and the shares came off 28 to 2251/sp.

Tobacco and financial services giant BAT Industries closing more than 4 per cent higher in the second heaviest volume this year.

ranged from extended corpo-

ance sector following the hidding war for Scottish Amicable (BAT owns Eagle Star) to the prospect of positive news on US tobacco litigation. The shares jumped 21

to 535%p in 12m traded.

Oll leaders led the market down with RP. Lasmo and Enterprise making up the bottom three stocks in the Footsie rankings.

BP disappointed with final quarter results at the low end of broker estimates and Lasmo fell in sympathy with exploration rival Enterprise, following the latter's recent downgrade from "hold" to "reduce" hy Merrill Lynch.

Overhanging the sector as shot forward in late trading, a whole was a weak oil price and a rampant sterling, a combination which in recent days has exacerbated inves-There were no specific stotor worries about a two-way ries. Analysts' guesses squeeze for the sector's dol-

BP's annual numbers sparkled but the market homed in on what, from any angle. looked a dull out-turn for the fourth quarter and the shares came off 27 to 694p in statement and there we 21m traded.

Lasmo fell 12 to 242p and brewing majors. Enterprise lost 24 to 6481/2p. Merrill Lynch feels that prises at the Allied AGM Enterprise's valuation of a 45 per cent premium to net asset hase is "alightly of a £20m currency hit the stretched" with oil price year in its stride. There w weakness expected to linger on well into the spring.

Clyde Petroleum, under siege from Gulf Canada, was unchanged at 119p in 85m traded after two institutional shareholders took profits on a 20 per cent stake. The prospect of a £4bn war

chest at Unilever excited the market, prompting a wave of speculation in several leading issues. Likely targets 681%. were said to include Reckitt & Colman where the shares surged 121/2 to 496p. One analyst said: "This is a company with strong hrands and a good position in many emerging markets so I can see the attraction to Unilever." Cadbury Schweppes appreciated 5 to 482p on the

same speculation. Market talk suggested Associated British Foods may be looking to use some of its cash pile through the starch business. Shares in the group gained 15 to 496p. News that National

Express could be about to win its fourth rail franchise ran the shares up 9 to 5641/2p. The company has been nominated the preferred bidder for Scotrail. Stagecoach and FirstBus, both of which were in the running for Scotrail. came off 91/2 to 724p and 2 to 241%p respectively,

The defensive qualities of the drinks business put on a ahow of strength. Allied Domecq surged in spite of downbeat annual meeting strong gains among t

There were no nasty s slow sales and the prosp talk of modest earning downgrades. Merrill Lyn looked set to cut hack £7m to £610m for this yes But backed by a 7 per ce yield, the shares gained 13

Elsewhere in the drin sector. Whitbread was 13 better at 800%p. Bass gain Newcastle put on 61/2

to 4281/ap.

You can obtain the current small reports and if available
quarterly reports of any companies on the US exchanges with
a \* symbol. To order reports ring (international Access)
1-804-320-8097 or give the names of the companies whose
reports you want and fax your request to (international Access)
1-804-320-8135. Reports will be sent the next working day,
subject to availability. You can also order online at http://
